Insurance cover begins upon commencement of the insured travel and ends at the agreed time, however upon completion of the insured travel at the latest. Reimburses the deductible under the fully comprehensive insurance for rented campers and motor homes owed and charged under the contract during the term of the rental agreement abroad up to the maximum sum insured.

No insurance cover is provided, among other things, for motorcycles or any kind of caravan as well as for damage due to use of the rented vehicle contrary to the contract. Further exclusions are given in § 4 AVB CDW AWP.

If your rented vehicle gets stolen or damaged, please report this to the car rental company and the nearest police station immediately and ask for a copy of the police record or at least confirmation that the incident has been reported. The contract is governed by the laws of the Federal Republic of Germany, unless this conflicts with international law. Legal action based on the insurance contract can be brought by the policyholder or the insured person before the court with jurisdiction over the principal place of business or the branch of the insurer. If the policyholder or the insured person is a natural person, legal action can also be brought before the court in the district of which the policyholder or the insured person has his place of residence when the legal action is brought or, if he does not have a place of residence, his habitual place of abode.

### Data protection:

In accordance with the provisions of the German Federal Data Protection Act, we hereby inform you that if a claim is filed your personal data which is required to implement the insurance contract will be stored. To check the application or the damage, inquiries will also be sent to other insurers and inquiries by other insurers will be answered. Moreover, data will be sent to the reinsurer. The addresses of each recipient of data will be provided upon request.

**Collection, processing and use of health data and disclosure of data to other parties:** Upon conclusion of contract the declarations of consent required to implement or terminate your insurance contract were given. You will find statements and information on data processing following the conditions.

### Right to revoke contracts valid for a term of one month or more:

You can revoke your contractual declaration within 14 days in writing (e.g., letter, fax, e-mail) without stating reasons. The period begins after you have received the insurance certificate, the terms of the contract including the Terms and Conditions of Insurance, the additional information pursuant to § 7 (1) and (2) of the Insurance Contracts Act (VVG) in conjunction with §§ 1 through 4 of the VVG Decree on Information Duties - each of these notifications in written form. In case of contracts in electronic commerce (§ 312i (1)(1) of the German Civil Code (BGB), this period shall not commence prior to our performance of our duties pursuant to § 312i (1)(1) of the German Civil Code in conjunction with Article 246c of the Introductory Law to the German Civil Code (EGBGB).

The deadline for revocation is deemed met if the revocation is dispatched in good time. It must be sent to:

AWP P&C S.A., Bahnhofstraße 16, D - 85609 Aschheim (near Munich), Fax + 49.89.6 24 24-244, E-mail: [service@allianz-assistance.de](mailto:service@allianz-assistance.de)

### Consequences of revocation:

When revocation is effective, insurance cover ceases and we shall refund to you that portion of the premium allocated to the period after receipt of the revocation if you consented to insurance cover beginning prior to the end of the revocation period. We are entitled in this case to retain that portion of the premium that is allocated to the period until receipt of the revocation. This is a sum calculated proportionally by days. Amounts to be refunded will be remitted without undue delay, no later than 30 days after receipt of the revocation. If insurance cover does not commence prior to the end of the revocation period, then effective revocation means that payments received must be refunded and uses made thereof (e.g., interest) must be disbursed.

### Special notes:

Your right of revocation lapses when the contract is completely performed both by you and also by us at your express request before you have exercised your right of revocation.

## General Provisions for ELVIA Travel Cover AVB AB AWP E 14

The regulations as stipulated under §§ 1 to 11 below apply to all ELVIA Travel Cover products. The General Policy Conditions (AVB) printed below apply to the respective insurance. Insurance cover is provided if you have contractually agreed the insurance concerned.

### § 1 Who is insured?

The persons named in the policy or the group of persons specified in the certificate of insurance are deemed insured persons, provided that the premium has been paid.

### § 2 For which travel is the insurance applicable?

Insurance cover applies to the respective insured travel in the agreed area of cover.

### § 3 When is the premium payable?

1. The premium is payable immediately after conclusion of the insurance contract and upon delivery of the insurance policy.
2. If the premium has not been paid upon the occurrence of the insured event, AWP is not obliged to pay indemnity, unless the insured person is not responsible for non-payment.

### § 4 When does the insurance begin and end?

1. In the case of Travel Cancellation Insurance, insurance cover begins on conclusion of the insurance contract for the booked travel and ends on commencement of travel.  
After booking the travel, it is possible to conclude an insurance contract up to 30 days before the commencement of travel. From the 29th day before the commencement of travel, the insurance contract must be concluded within three workdays after booking the travel.
2. With all other classes of insurance
  - a) insurance cover begins upon commencement of the insured travel and
  - b) ends at the agreed point in time, however at the latest when the insured travel ends;
  - c) insurance cover is extended beyond the scheduled end of travel if the agreed insurance covers the whole of the scheduled travel and the completion of travel is delayed for reasons beyond the control of the insured person.

### § 5 In which cases does insurance cover not apply?

1. No insurance cover is provided in the following cases:
  - a) Damage or losses caused by strikes, nuclear energy, confiscation and other acts by higher authority, as well as damage in areas, for which at the time of arrival the Foreign Office of the Federal Republic of Germany had issued a travel warning. If an insured person is at such a location at the time when a travel warning is issued, insurance cover ends 14 days after the announcement of the travel warning. Insurance cover continues in spite of the travel warning if the end of travel is delayed for reasons for which the insured person is not responsible.
  - b) Damage or losses as a result of war, civil war or warlike events. However, insurance cover is provided if the damage or loss occurs in the first 14 days after the start of the events. Insurance cover continues if the end of travel is delayed for reasons for which the insured person is not responsible. Insurance cover will definitely not be provided in the event that the insured person stays in a country in which war or civil war is already being waged or the outbreak of war or civil war could be foreseen. Damage or losses caused by actively participating in war, civil war or warlike events is not insured.
  - c) Damage or losses intentionally caused by the insured person.
  - d) Expeditions, unless otherwise agreed.
  - e) Damage caused indirectly or directly through the use of ABC weapons or ABC materials.
2. If the insured person is not domiciled in the EU or in EEA, insurance cover is provided only for travel within Europe and in countries bordering the Mediterranean.
3. If economic, trade or financial sanctions or embargoes imposed by the European Union or the Federal Republic of Germany which are directly applicable to the contracting parties preclude insurance cover, no insurance cover is provided. This also applies to economic, trade or financial sanctions or embargoes announced by the United States of America, unless precluded by European or German legal provisions. The remaining terms of contract remain unaffected.

### § 6 What are the duties and obligations of the insured person in the event of damage or loss?

The insured person is obliged to

1. minimise the damage or loss as far as possible and avoid unnecessary costs;
2. report the damage or loss to AWP without delay;
3. describe the damaging event or the loss as well as the scope of the claim, truthfully provide AWP with any and all pertinent information and allow AWP to check the cause and amount of the claim asserted in a reasonable manner. The insured person must

furnish proof in the form of original bills and receipts and release physicians from their confidentiality obligation as necessary – including the physicians of the Assistance – if knowledge of data is necessary in order to establish whether AWP has an obligation to indemnify and if so, the level of payment to be made. If AWP is unable to check the cause and amount of its obligation to indemnify because the insured person does not release physicians from their confidentiality obligation and does not enable AWP to check its obligation to indemnify in any other manner, the insurance payment will not become due.

### § 7 When does AWP pay compensation?

As soon as AWP has determined whether and to what extent it has an obligation to indemnify, compensation is paid within two weeks. Compensation is paid solely by transfer to a bank account.

### § 8 What applies if the insured person has claims for damages against third parties?

1. In accordance with statutory regulations, claims for damages against third parties pass to AWP up to the level of payment effected, provided that the insured person suffers no disadvantage thereby.
2. Upon request by AWP, the insured person is obliged to confirm in writing the transfer of claims to this extent.
3. Any obligations to indemnify arising under other insurance contracts and by social insurance institutions will have precedence over those of AWP. If the insured person first presents original bills to AWP for payment, AWP will be deemed to have made advance payment.

### § 9 When does the insured person forfeit claims to insurance benefits due to a breach of obligations and the statute of limitations?

1. If an obligation is intentionally violated, AWP is released from its obligation to indemnify; in case of grossly negligent violation, AWP is entitled to reduce its payment in proportion to the degree of fault of the insured person.
2. The insured person must furnish proof that no gross negligence was involved. Except in case of fraudulent intent, AWP is obliged to indemnify if the insured person furnishes proof that the violation of the obligation is not the cause of either the occurrence or the determination or the scope of AWP's obligation to indemnify.
3. The claim to an insurance benefit lapses in three years, calculated from the end of the year in which the claim occurred and the insured person obtained knowledge of the circumstances in order to assert the claim, or would have obtained knowledge without gross negligence.

### § 10 What form must be followed for submitting declarations of intent?

1. Notices and declarations of intent from the insured person and the insurer must be in writing (e.g. letter, fax, e-mail).
2. Insurance agents are not authorised to accept such documents.

### § 11 Which court in Germany is responsible for dealing with the assertion of claims based on the insurance contract and which law applies?

1. At the option of the insured person, the courts of Munich or the place in Germany where the insured person has his permanent residence or habitual abode at the time the legal action is brought will have jurisdiction and venue.
2. The laws of the Federal Republic of Germany apply insofar as they do not conflict with international law.

Insurance cover will definitely not be provided in the event that the insured person stays in a country in which war or civil war is already being waged or the outbreak of war or civil war could be foreseen. Damage or losses caused by actively participating in war, civil war or warlike events is not insured.
11. Damage caused as a result of incorrect operation and wear and tear.
12. In connection with the use of the vehicle when committing a crime, an offence or attempting it.
13. Damage caused indirectly or directly through the use of ABC weapons or ABC materials;
14. If the insured person does not have a place of residence in the EUR or the EEA; in this case insurance cover is provided only for travel within Europe and the Mediterranean countries.
15. If economic, trade or financial sanctions or embargoes imposed by the European Union or the Federal Republic of Germany which are directly applicable to the contracting parties preclude insurance cover, no insurance cover is provided. This also applies to economic, trade or financial sanctions or embargoes announced by the United States of America, unless precluded by European or German legal provisions. The remaining terms of contract remain unaffected.

## General information in the event of claim

---

**What do you do in any case of damage?**

The insured person must minimise and document the damage as far as possible. For this reason, please ensure that you have suitable proof of the occurrence of the damage (e.g. confirmation of damage, medical certificate) and of the extent of damage (e.g. bills, receipts).

# Declarations and information on data processing

## I. Consent to the collection and use of health data and declaration of release from secrecy.

The declarations of consent and of release from secrecy printed under I. were prepared as coordinated between the Gesamtverband der deutschen Versicherungswirtschaft e.V. (GDV) and data protection authorities.

The Insurance Contract Act, the Federal Data Protection Act and other data protection provisions do not include an adequate legal basis for the collection, processing and use of health data by the insurer. For this reason we need your consent as required by data protection laws. In the event of a claim, we may require your release from secrecy in order to obtain your health data from parties subject to secrecy (e.g. physicians).

Furthermore, we require your release from secrecy in order to disclose your health data or other data protected under § 203 of the German Criminal Code, e.g. the fact that there is a contract with you, your customer number or other identification data, to other parties, e.g. assistance, logistics or IT service providers.

The following declarations of consent are indispensable for the implementation or termination of your insurance contract (processing of your claim). Should you not submit these, it will not usually be possible to enter into any contract.

The declarations relate to the way we handle your health data and other data subject to secrecy (under 1.), in connection with requesting these from third parties (under 2.) and when disclosing them to parties external to the insurer (under 3.).

The declarations also apply to persons legally represented by you who are included in the insurance, e.g. to your children, if they do not recognise the significance of this consent and thus cannot submit their own declarations.

### 1. Consent to the collection, saving and use of your health data

I consent to AWP P&C S.A. collecting, saving and using the health data notified by me in the future, provided that this is required to implement or terminate the insurance contract.

### 2. Request of health data from third parties to verify the duty to indemnify

To check our duty to indemnify it may be necessary for us to check information on your state of health which you provided to substantiate claims or which is shown in the documents submitted (e.g. bills, prescriptions, expert opinions) or notifications, e.g. by a physician or other member of the health profession.

This verification is carried out only to the extent necessary. To do so, we require your consent including a release from secrecy for us and for these parties if, in the course of these requests, health data or other information subject to secrecy are disclosed.

We will inform you in each individual case of the persons or establishments that are required to provide information and for what purpose. You can then decide in each case whether you consent to the collection and use of your health data by the insurer, release the persons or establishments named and their employees from secrecy and consent to the transfer of your health data to the insurer, or whether you will provide the required documents yourself.

### 3. Disclosure of your health data and other data subject to secrecy to parties outside AWP P&C S.A.

We contractually obligate the parties named below to observe provisions on data protection and data security.

#### 3.1 Disclosure of data for medical assessment

To check our duty to indemnify, it may be necessary to call in medical experts. We require your consent and release from secrecy for this purpose if your health data and other data subject to secrecy are transferred in this connection. You will be informed of each transfer of data.

I hereby consent and agree that AWP P&C S.A. may transmit my health data to medical experts if this is necessary for reviewing the obligation to pay benefits in my insurance claim and that the health data are used there for the proper purpose and the results are sent back to AWP. I release the persons working for AWP P&C S.A. and the experts from their nondisclosure duty with respect to the health data and other data protected under StGB (German Criminal Code) § 203.

#### 3.2 Transfer of tasks to other parties (business enterprises or persons)

We do not perform in part certain tasks in the course of which your health data might be collected, processed and used. We have therefore transferred these tasks to other companies. If your data subject to secrecy are disclosed in the course of this, we require your release from secrecy for us and, where necessary, for other parties.

We carry out a constantly updated list of the parties and categories of parties that collect, process or use data subject to secrecy on our behalf as agreed. This list shows the tasks which have been transferred to the individual parties. The currently valid list is enclosed directly with the declarations.<sup>1)</sup> An up-to-date list can also be viewed on the Internet under [www.allianz-reiseversicherung.de/datenverarbeitung](http://www.allianz-reiseversicherung.de/datenverarbeitung) or requested from us (AWP P&C S.A., Bahnhofstraße 16, D - 85609 Aschheim (near Munich), Phone +49.89.62424-460, [service@allianz-assistance.de](mailto:service@allianz-assistance.de)). We need your consent for the disclosure of your health data and for use of such data by the parties listed at these points.

I consent to AWP P&C S.A. transferring my health data to the parties named in the list mentioned above and to the collection, processing and use of my health data by those parties for the purposes stated to the same extent as AWP P&C S.A. would be allowed to do. Insofar as necessary, I release the employees of AWP P&C S.A. as well as those of the parties entrusted with this task from secrecy for the disclosure of health data and other data protected under § 203 of the German Criminal Code.

#### 3.3 Disclosure of data to reinsurers

To ensure that your claims are satisfied, AWP P&C S.A. can conclude contracts with reinsurers that partially or completely assume the risk insured by us. In some cases the reinsurers use other reinsurers for this purpose to whom they also transfer your data. To allow the reinsurer to check whether AWP P&C S.A. has correctly assessed a claim, AWP P&C S.A. might be required to present your claim documents to the reinsurer.

To settle insurance claims, data on your existing contracts might also be disclosed to reinsurers.

As far as possible, anonymised and pseudoanonymised data are used for the purposes named above, but personal health data might also be used.

Reinsurers use your personal data only for the purposes named above. We will inform you of the transfer of your health data to reinsurers.

I consent to AWP P&C S.A. transferring my health data to reinsurers, provided that this is necessary for the assertion of legal claims for reimbursement in my insurance case; that the health data is used appropriately and that the results are relayed back to AWP. Insofar as is necessary, I release from their confidentiality obligations any persons acting on behalf of AWP P&C S.A. and consultants, with respect to the health data and further pursuant to data protected under Section 203 of the StGB (German Criminal Code).

### Statements by the insured person(s) or the legal representative of the person(s) to be insured:

I hereby make the declarations on data processing submitted by the applicant or the person interested in insurance on my own behalf or on behalf of the person(s) to be insured

## II. Disclosure of data to other insurers

Pursuant to the Insurance Contract Act the insured person must notify the insurer of all important circumstances for claim settlement in case of damage. This can also include previous illnesses and claims or notifications about other similar insurance. In certain cases, such as double insurance, legal subrogation and where there are cost sharing agreements, personal data must be exchanged between insurers. Also to prevent any misuse of insurance it may be necessary to request information from other insurers or to provide suitable information upon request.
